

# 2009 Summer Camp for Creative Writers

Grades 7-12, College, and Adults

This is our tenth year sponsoring Fine Lines creative writing summer camps for writers of all ages. This year's Bellevue West camp will focus on shorter writing, including short fiction and poetry. We will analyze conflict vs. crisis, dialog, emotion, introspection, and examination of choices within our writing, our characters, and ourselves. Come join writers who explore the creative corners of their minds, where writers learn to write more, write faster, and write better.
